If a demersal authorisation has issued to an Irish sea-fishing boat, that Irish sea-fishing boat is only permitted to fish a species specified in column (1) of Schedule 1 of the demersal authorisation, from a fishing area specified in column (2) of Schedule 1 of the demersal authorisation, up to the catch limit specified in column (3) of Schedule 1 of the demersal authorisation. The catch limit(s) for that species/those species in that fishing area/those fishing areas set out in Schedule 2 of this Fisheries Management Notice are not available to that Irish sea-fishing boat during the fishing period;

"catch, retention and landing restrictions" mean the total quantity, in tonnes, of that species of fish in column (1), a quantity of which, greater than that specified in column (3) may not be landed by an Irish sea-fishing boat, dependant on the particular boat's length and/or fishing method and/or whether the boat has been issued with a demersal authorisation for that species/those species of fish in that fishing area/those fishing areas during July 2026;
