HEALTH AND SAFETY AUTHORITY

Notice of Publication of a Code of Practice

The Health and Safety Authority, in accordance with Section 60 (1)(b) of the Safety, Health and Welfare at Work Act 2005, and with the consent of Alan Dillon, Minister of State at the Department of Enterprise, Tourism and Employment, publishes this Code of Practice entitled *Bulk Storage of Liquified Petroleum Gas (LPG) IS 3216:2025 (Version 3).*

The Authority is publishing this NSAI Standard as a Code of Practice to strengthen the LPG regulatory framework, provide practical guidance to duty holders, and assist duty holders in complying with Part 2 *Workplace and Work Equipment* of the Safety, Health and Welfare at Work (General Application) Regulations 2007, and the more general provisions of the Safety, Health and Welfare at Work Act (2005). Furthermore, under Section 61 of the Safety, Health and Welfare at Work Act 2005, non-compliance with IS 3216:2025 can be admissible as evidence in prosecution for an offence under the Act.

This Code of Practice came into effect on 19 November 2026, revoking and replacing IS 3216:2010+A1:2014.

Fisheries Management Notice No. 71 of 2026
(December Mackerel Under 18 metre Fishery Quota Management Notice)

I, Timmy Dooley, Minister of State at the Department of Agriculture, Food and the Marine, in exercise of the powers conferred on me by section 12 of the Sea-Fisheries and Maritime Jurisdiction Act 2006 (No. 8 of 2006) and the Agriculture, Food and the Marine (Delegation of Ministerial Functions) (No. 2) Order 2025 (S.I. No. 368 of 2025), hereby issue the following Notice:

1.1 This Notice is the December Mackerel Under 18 metre Fishery Quota Management Notice 2026 (Fisheries Management Notice No. 71 of 2026).

1.2 This Notice comes into force on 01 December 2026 and ceases to have effect on 01 January 2027.

2. In this Notice:

"CECAF" means the Committee for the Eastern Central Atlantic Fisheries;

"ICES" means the International Council for the Exploration of the Sea;

"Union waters" means European Union waters. Where this term is used in conjunction with an ICES or CECAF sub-area or division listed in Schedule 1, it means that only the European Union waters of that sub-area or division are included;

"length" means, in relation to a sea-fishing boat, the overall length of the boat, or the distance from the forepart of the stem of the boat to the aft side of the head of the sternpost of the boat or to the foreside of the rudder stock;

"mackerel authorisation" means an authorisation to fish for mackerel (*Scomber scombrus)* granted under section 13 of the Sea-Fisheries and Maritime Jurisdiction Act 2006;

"Catch retention and landing restrictions" means the total quantity, in tonnes live weight, of that species of fish in column (1) a quantity of which, greater than that specified in column (3), may not be retained onboard or landed by an Irish sea-fishing boat, dependant on the particular vessel's length and/or fishing method during December 2026;

"fishing area" means waters falling within the ICES sub-areas and divisions listed in Schedule 1 as defined in Annex III to Regulation (EC) No. 218/2009[1] of the European Parliament and of the Council of 11 March 2009, as amended.

3. During December 2026, a person on board an Irish sea-fishing boat less than 18 metres in length overall to which a Tier 2 mackerel authorisation has not been granted, fishing for mackerel by means other than hooks and lines in a fishing area listed in column (2) of Schedule (1), shall not have, or retain on board or land (or cause or permit another person to have or retain on board or land), a quantity of mackerel that is greater than the quantity specified in column (3) if the fish was caught in that fishing area either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.

Schedule 1
Catch retention and landing restrictions in relation to an Irish sea-fishing boat less than 18 metres in length in respect of which a Tier 2 mackerel authorisation is not extant

Species of fish (1)	Fishing area (2)	Limit for boats less than 18 metres in length (3)
MACKEREL (*Scomber scombrus*)	6, 7, 8a, 8b, 8d and 8e; United Kingdom and international waters of 5b; international waters of 2a, 12 and 14 (MAC/2CX14-)	2 tonnes

4. ADVANCE NOTICE OF LANDINGS

The master of an Irish sea-fishing boat or his agent shall give not less than 1 hour notification of his intention to enter port for quantities of mackerel over 250kg.

For landings in a port in the Republic of Ireland notification should be made to the IRISH FISHERIES MONITORING CENTRE by telephone (T) 00 353 21 4378752, by e-mail fmcireland@defenceforces.ie, or for landings outside Ireland to the Competent

[1] O.J. L 87, 31.3.2009, pp. 70-108

Authorities of the Member State in which the landing is to be made. Furthermore, for landings in third countries, notifications should be made to the competent authorities of that third country in which the landing is to be made.

The notification shall include:

- the name of the boat;
- the designated port of landing;
- the estimated time of arrival in the designated port;
- the intended time of landing the catch;
- the quantities in kilograms live weight of all species retained on board;
- the management area where the catch was taken;
- contact details.

Fishing boats with fully functioning ERS should submit these requirements via PNO.

GIVEN under my hand,

25 November 2026 at 13:30 hours

Timmy Dooley,

Minister of State at the Department of Agriculture, Food and the Marine.

EXPLANATORY NOTE

(This note is not part of the instrument and does not purport to be a legal interpretation)

This Notice sets restrictions on the catching, retaining on board, or landing of mackerel by under 18 metre boats without a Tier 2 Mackerel Authorisation, fishing for Mackerel by means other than hooks and lines during December 2026.

"deep-sea species" means a species listed in Annex I to Regulation (EU) 2016/2336 of the European Parliament and of the Council of 14 December 2016;[1]

[1] OJ L 354, 23.12.2016, pp. 1–19

"length" means, in relation to a sea-fishing boat, the overall length of that boat, or the distance from the forepart of the stem of the boat to the aft side of the head of the sternpost of the boat or to the foreside of the rudder stock;

"Catch retention and landing restrictions" means the total quantity, in tonnes live weight, of that species of fish in column (1) a quantity of which, greater than that specified in column (3) or column (4), may not be retained onboard or landed by an Irish sea-fishing boat, dependant on the particular vessel's length and/or fishing method during December 2026;

"per cent by-catch" means a percentage by live weight of the total quantity of all species of fish, for which the State has an EU fishing quota, retained on board or landed on any occasion;

"fishing area" means waters falling within the ICES sub-areas and divisions listed in-

(a) column (2) of Schedule 1, or
(b) column (2) of Schedule 2,

as defined in Annex III to Regulation (EC) No. 218/2009 of the European Parliament and of the Council of 11 March 2009 as amended.[2]

3.1 Subject to paragraph 4.1, during December 2026, a person on board an Irish sea-fishing boat greater than or equal to 55 feet in length, fishing in a fishing area listed in column (2) of Schedule 1, shall not have, or retain on board that boat or land (or cause or permit another person to have or retain on board the boat or land), a quantity of a species of fish listed in column (1) of Schedule 1 opposite that fishing area where the fish were caught that is greater than the corresponding quantity specified in column (3), either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.

3.2 Subject to paragraph 4.2, during December 2026, a person on board an Irish sea-fishing boat less than 55 feet in length, fishing in a fishing area listed in column (2) of Schedule 1, shall not have, or retain on board that boat or land (or cause or permit another person to have or retain on board the boat or land), a quantity of a species of fish listed in column (1) of Schedule 1 opposite that fishing area where the fish were caught that is greater than the corresponding quantity specified in column (4), either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.

4.1 During December 2026 a person on board an Irish sea-fishing boat greater than or equal to 55 feet in length in respect of which a deep-sea authorisation has been granted, fishing in a fishing area listed in column (2) of Schedule 2, shall not have, or retain on board that boat or land (or cause or permit another person to have or retain on board the boat or land), a quantity of a species of fish listed in column (1) of Schedule 2 opposite that fishing area where the fish were caught that is greater than the corresponding quantity specified in column (3), either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.

4.2 During December 2026, a person on board an Irish sea-fishing boat less than 55 feet in length to which a deep-sea authorisation has been granted, fishing in a fishing area listed in column (2) of Schedule 2, shall not have, or retain on board that boat or land (or cause or permit another person to have or retain on board the boat or land), during December 2026, a quantity of a species of fish listed in column (1) of Schedule 2 opposite that fishing area where the fish were caught that is greater than the corresponding quantity specified in column (4), either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.

5. Where a quantity is specified in–

(a) column (3) or column (4) of Schedule 1, or
(b) column (3) or column (4) of Schedule 2,

in respect of a particular species of fish, fishing area and type of vessel, and where that quantity is expressed as a per cent by-catch, a person on board an Irish sea-fishing boat of that type

(c) may, notwithstanding paragraph 3 and 4, have or retain on board, between the hours of 00:01 and 23:59 of each day of a fishing voyage, up to 1.5 times the quantity of that species of fish specified for that fishing area and that type of vessel if it was caught in that area during December 2026, and must ensure by 24:00 of each day of a fishing voyage that the quantity of that species of fish caught in that area and retained on board the boat does not exceed the per cent by-catch quantity specified in that Schedule for that species, area and type of vessel.

Fisheries Management Notice No. 73 of 2026
(December Over 55ft Boats Demersal Quota Management Notice)

I, Timmy Dooley, Minister of State at the Department of Agriculture, Food and the Marine, in exercise of the powers conferred on me by section 12 of the Sea-Fisheries and Maritime Jurisdiction Act 2006 (No. 8 of 2006) and the Agriculture, Food and the Marine (Delegation of Ministerial Functions) (No. 2) Order 2025 (S.I. No. 368 of 2025), hereby issue the following Notice:

1.1 This Notice is the December Demersal (boats over 55ft) Quota Management Notice 2026 (Fisheries Management Notice No. 73 of 2026).

1.2 This Notice comes into force on 01 December 2026 and ceases to have effect on 01 January 2027.

2 In this Notice:
"CECAF" means the Committee for the Eastern Central Atlantic Fisheries;

"ICES" means the International Council for the Exploration of the Sea;

"Union waters" means European Union waters. Where this term is used in conjunction with an ICES or CECAF sub-area or division specified in Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, it means that only the European Union waters of that sub-area or division are included;

"length" means, in relation to a sea-fishing boat, the overall length of the boat, or the distance from the forepart of the stem of the boat to the aft side of the head of the sternpost of the boat or to the foreside of the rudder stock;

"fishing trip" means any voyage of a sea-fishing boat during which fishing activities are conducted that starts at the moment when the fishing boat leaves a port and ends on arrival in port;

"demersal authorisation" means an authorisation to fish for demersal stocks under section 13 of the Sea-Fisheries and Maritime Jurisdiction Act 2006. If a demersal authorisation has issued to an Irish sea-fishing boat, that Irish sea-fishing boat is only permitted to fish a species specified in column (1) of Schedule 1 of the demersal authorisation, from a fishing area specified in column (2) of Schedule 1 of the demersal authorisation, up to the catch limit specified in column (3) of Schedule 1 of the demersal authorisation. The catch limit(s) for that species/those species in that fishing area/those fishing areas set out in Schedule 2 of this Fisheries Management Notice are not available to that Irish sea-fishing boat during the fishing period;

"catch, retention and landing restrictions" mean the total quantity, in tonnes, of that species of fish in column (1), a quantity of which, greater than that specified in column (3) may not be landed by an Irish sea-fishing boat, dependant on the particular boat's length and/or fishing method and/or whether the boat has been issued with a demersal authorisation for that species/those species of fish in that fishing area/those fishing areas during December 2026;

"fishing area" means waters falling within the ICES sub-areas and divisions specified in Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5 as defined in Annex III to Regulation (EC) No. 218/2009 of the European Parliament and of the Council of 11 March 2009, as amended;

"stock" means a species of fish in a defined fishing area specified in columns (1) and (2) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5;

"discards" means catches that are returned to the sea.

3.1 During December 2026, a person on board an Irish sea-fishing boat greater than or equal to 55 feet in length, fishing in a fishing area specified in column (2) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, shall not have, retain on board or land (or cause or permit another person to have or retain on board or land), a quantity of a species of fish specified in column (1) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, from the fishing area specified in column (2) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, that is greater than the corresponding quantity specified in column (3), either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.
When the quantity of a species of fish specified in column (1) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5 that has been landed, from the fishing area specified in column (2) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, exceeds column (3) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

3.2 *Stocks relevant for Demersal Quota Balancing (Schedule 2)*
During December 2026, a person on board an Irish sea-fishing boat greater than or equal to 55 feet in length in respect of which a demersal authorisation has not been granted for that species of fish specified in column (1) for the fishing area specified in column (2) of Schedule 2, shall not have or retain on board that boat or land, (or cause or permit another person to have or retain on board the boat or land), a quantity of that species of fish specified in column (1) of Schedule 2 opposite that fishing area specified in column (2) where the fish were caught that is greater than the corresponding quantity specified in column (3) either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.
When the quantity of a species of fish specified in column (1) of Schedule 2 that has been landed, from the fishing area specified in column (2) of Schedule 2, exceeds column (3) of Schedule 2, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

3.3 *By-catch Limits (Schedule 3)*

The catch limits specified in Schedule 3 are exclusively for by-catches. No directed fisheries are permitted under these catch limits.
During December 2026, a person on board an Irish sea-fishing boat greater than or equal to 55 feet in length, fishing in a fishing area specified in column (2) of Schedule 3 shall not have, retain on board or land (or cause or permit another person to have or retain on board the boat or land), a quantity of a species of fish specified in column (1) of Schedule 3 from the fishing area specified in column (2) of Schedule 3, that is greater than the corresponding quantity specified in column (3), either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.
When the quantity of a species of fish specified in column (1) of Schedule 3 that has been landed, from the fishing area specified in column (2) of Schedule 3, exceeds column (3) of Schedule 3, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

3.4 *Boats Fishing exclusively with Danish/Scottish Fly Seines (Schedule 4)*

During December 2026, a person on board an Irish sea-fishing boat fishing exclusively by means of Danish/Scottish Fly Seines in ICES division 7a or ICES divisions 7b-k, sub areas 8, 9 and 10: Union waters of CECAF 34.1.1., shall not have or retain on board or land, a quantity of Haddock greater than the quantity that is specified in column (3) of Schedule 4, from the fishing area specified in column (2) of Schedule 4, either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.
When the quantity of a species of fish specified in column (1) of Schedule 4, that has been landed, from the fishing area specified in column (2) of Schedule 4, exceeds column (3) of Schedule 4, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

3.5 *Nephrops (Schedule 5)*

Boats targeting Nephrops in ICES Areas 6 & 7 and Functional Unit 16 of ICES Subarea 7
During December 2026, in any one fishing trip, a person on board an Irish sea-fishing boat, targeting Nephrops in ICES Areas 6 and 7 may only fish in either of

- ICES Area 6 and ICES Area 7, excluding Functional Unit 16 of ICES Subarea 7, or
- Functional Unit 16 of ICES Subarea 7

When the quantity of a species of fish specified in column (1) of Schedule 5 that has been landed, from the fishing area specified in column (2) of Schedule 5, exceeds column (3) of Schedule 5, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

Fisheries Management Notice No. 74 of 2026
(December Under 55ft Boats Demersal Quota Management Notice)

I, Timmy Dooley, Minister of State at the Department of Agriculture, Food and the Marine, in exercise of the powers conferred on me by section 12 of the Sea-Fisheries and Maritime Jurisdiction Act 2006 (No. 8 of 2006) and the Agriculture, Food and the Marine (Delegation of Ministerial Functions) (No. 2) Order 2025 (S.I. No. 368 of 2025), hereby issue the following Notice:

1.1 This Notice is the December Demersal (boats under 55ft) Quota Management Notice 2026 (Fisheries Management Notice No. 74 of 2026).

1.2 This Notice comes into force on 01 December 2026 and ceases to have effect on 01 January 2027.

2 In this Notice:
"CECAF" means the Committee for the Eastern Central Atlantic Fisheries;

"ICES" means the International Council for the Exploration of the Sea;

"Union waters" means European Union waters. Where this term is used in conjunction with an ICES or CECAF sub-area or division specified in Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, it means that only the European Union waters of that sub-area or division are included;

"length" means, in relation to a sea-fishing boat, the overall length of the boat, or the distance from the forepart of the stem of the boat to the aft side of the head of the sternpost of the boat or to the foreside of the rudder stock;

"fishing trip" means any voyage of a sea-fishing boat during which fishing activities are conducted that starts at the moment when the fishing boat leaves a port and ends on arrival in port;

"demersal authorisation" means an authorisation to fish for demersal stocks under section 13 of the Sea-Fisheries and Maritime Jurisdiction Act 2006. If a demersal authorisation has issued to an Irish sea-fishing boat, that Irish sea-fishing boat is only permitted to fish a species specified in column (1) of Schedule 1 of the demersal authorisation, from a fishing area specified in column (2) of Schedule 1 of the demersal authorisation, up to the catch limit specified in column (3) of Schedule 1 of the demersal authorisation. The catch limit(s) for that species/those species in that fishing area/those fishing areas set out in Schedule 2 of this Fisheries Management Notice are not available to that Irish sea-fishing boat during the fishing period;

"catch, retention and landing restrictions" mean the total quantity, in tonnes, of that species of fish in column (1), a quantity of which, greater than that specified in column (3) may not be landed by an Irish sea-fishing boat, dependant on the particular boat's length and/or fishing method and/or whether the boat has been issued with a demersal authorisation for that species/those species of fish in that fishing area/those fishing areas during December 2026;

"fishing area" means waters falling within the ICES sub-areas and divisions specified in Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5 as defined in Annex III to Regulation (EC) No. 218/2009 of the European Parliament and of the Council of 11 March 2009, as amended;

"stock" means a species of fish in a defined fishing area specified in columns (1) and (2) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5;

"discards" means catches that are returned to the sea.

3.1 During December 2026, a person on board an Irish sea-fishing boat less than 55 feet in length, fishing in a fishing area specified in column (2) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, shall not have, retain on board or land (or cause or permit another person to have or retain on board or land), a quantity of a species of fish specified in column (1) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, from the fishing area specified in column (2) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, that is greater than the corresponding quantity specified in column (3), either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.
When the quantity of a species of fish specified in column (1) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5 that has been landed, from the fishing area specified in column (2) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, exceeds column (3) of Schedule 1, Schedule 2, Schedule 3, Schedule 4 and Schedule 5, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

3.2 *Stocks relevant for Demersal Quota Balancing (Schedule 2)*
During December 2026, a person on board an Irish sea-fishing boat less than 55 feet in length in respect of which a demersal authorisation has not been granted for that species of fish specified in column (1) for the fishing area specified in column (2) of Schedule 2, shall not have or retain on board that boat or land, (or cause or permit another person to have or retain on board the boat or land), a quantity of that species of fish specified in column (1) of Schedule 2 opposite that fishing area specified in column (2) where the fish were caught that is greater than the corresponding quantity specified in column (3) either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.
When the quantity of a species of fish specified in column (1) of Schedule 2 that has been landed, from the fishing area specified in column (2) of Schedule 2, exceeds column (3) of Schedule 2, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

3.3 *By-catch Limits (Schedule 3)*

The catch limits specified in Schedule 3 are exclusively for by-catches. No directed fisheries are permitted under these catch limits.
During December 2026, a person on board an Irish sea-fishing boat less than 55 feet in length, fishing in a fishing area specified in column (2) of Schedule 3 shall not have, retain on board or land (or cause or permit another person to have or retain on board the boat or land), a quantity of a species of fish specified in column (1) of Schedule 3 from the fishing area specified in column (2) of Schedule 3, that is greater than the corresponding quantity specified in column (3), either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.
When the quantity of a species of fish specified in column (1) of Schedule 3 that has been landed, from the fishing area specified in column (2) of Schedule 3, exceeds column (3) of Schedule 3, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

3.4 *Boats Fishing exclusively with Danish/Scottish Fly Seines (Schedule 4)*

During December 2026, a person on board an Irish sea-fishing boat fishing exclusively by means of Danish/Scottish Fly Seines in ICES division 7a or ICES divisions 7b-k, sub areas 8, 9 and 10: Union waters of CECAF 34.1.1., shall not have or retain on board or land, a quantity of Haddock greater than the quantity that is specified in column (3) of Schedule 4, from the fishing area specified in column (2) of Schedule 4, either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.
When the quantity of a species of fish specified in column (1) of Schedule 4, that has been landed, from the fishing area specified in column (2) of Schedule 4, exceeds column (3) of Schedule 4, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

3.5 *Nephrops (Schedule 5)*

Boats targeting Nephrops in ICES Areas 6 & 7 and Functional Unit 16 of ICES Subarea 7
During December 2026, in any one fishing trip, a person on board an Irish sea-fishing boat, targeting Nephrops in ICES Areas 6 and 7 may only fish in either of

- ICES Area 6 and ICES Area 7, excluding Functional Unit 16 of ICES Subarea 7, or
- Functional Unit 16 of ICES Subarea 7

When the quantity of a species of fish specified in column (1) of Schedule 5 that has been landed, from the fishing area specified in column (2) of Schedule 5, exceeds column (3) of Schedule 5, then the boat may not fish in that fishing area for that stock for the remainder of the fishing period.

2. In this Notice:

"CECAF" means the Committee for the Eastern Central Atlantic Fisheries;

"ICES" means the International Council for the Exploration of the Sea;

"Union waters" means European Union waters. Where this term is used in conjunction with an ICES or CECAF sub-area or division listed in Schedule 1, it means that only the European Union waters of that sub-area or division are included;

"length" means, in relation to a sea-fishing boat, the overall length of the boat or the distance from the forepart of the stem of the boat to the aft side of the head of the sternpost of the boat or to the foreside of the rudder stock;
"North West Herring ring-fenced group" means vessels that have fulfilled the criteria set out in Policy Directive 1 and 2 of 2012, as amended by Policy Directive 1 of 2017, concerning access to herring stocks in fishing area 6aS[7], 7b and 7c;
"north west herring authorisation" means an authorisation to fish for Herring (*Clupea harengus)* in ICES areas 6aS, 7b and 7c (HER/6AS7BC) granted under section 13 of the Sea-Fisheries and Maritime Jurisdiction Act 2006;

"catch retention and landing restrictions" means the total quantity, in tonnes by live weight, of that species of fish in column (1) a quantity of which, greater than that specified in column (3), may not be retained onboard or landed by an Irish sea-fishing boat, during December 2026;
"fishing area" means waters falling within the ICES sub-areas and divisions listed in Schedule 1 and Schedule 2 as defined in Annex III to Regulation (EC) No. 218/2009[8] of the European Parliament and of the Council of 11 March 2009, as amended.

4. During December 2026, a person on board an Irish sea-fishing boat greater than or equal to 15 metres in length overall and less than 20 metres in length overall that is **not** part of the North West Herring ring-fenced group, fishing for Herring in a fishing area listed in column (2) of Schedule (1) shall not have or retain on board or land (or cause or permit another person to have or retain on board or land), a quantity of Herring that is greater than the quantity specified in column (3) of Schedule (1), if the fish were caught in that fishing area either on a single occasion or when combined with previous landings by that boat of that species caught in the specified area in December 2026.

5. During December 2026, a person on board an Irish sea-fishing boat less than 15 metres in length overall that is **not** part of the North West Herring ring-fenced group, fishing for Herring in a fishing area listed in column (2) of Schedule (2) shall not have or retain on board or land (or cause or permit another person to have or retain on board or land), a quantity of Herring that is greater than the quantity specified in column (3) of Schedule (2), if the fish were caught in that fishing area either on a single occasion or when combined with previous landings by that boat of that species caught in the specified area in December 2026.

Schedule 1

Catch retention and landing restrictions in relation to an Irish sea-fishing boat greater than or equal to 15 metres in length overall and less than 20 metres in length overall, that is not part of the North West Herring ring-fenced group

[8] O.J. L 87, 31.3.2009, pp. 70-108

*During December 2026, a person on board an Irish sea-fishing boat, targeting Herring in ICES Subareas 6aS, 7b and 7c, that is in receipt of an authorisation issued pursuant to section 13 of the Sea-Fisheries and Maritime Jurisdiction Act 2006 for that boat to operate in the 2026 North West Herring Fishery, will be subject to the quantity of Herring in ICES Subareas 6aS, 7b and 7c set out in that authorisation and not subject to the quantity of Herring in ICES Subareas 6aS, 7b and 7c set out in this Fisheries Management Notice.

5. ADVANCE NOTICE OF LANDINGS

The master of an Irish sea-fishing boat or his agent shall give not less than 1 hour notification of his intention to enter port for quantities of Herring over 250kg.

For landings in a port in the Republic of Ireland notification should be made to the IRISH FISHERIES MONITORING CENTRE by telephone (T) 00 353 21 4378752 by e-mail fmcireland@defenceforces.ie or for landings outside Ireland to the Competent Authorities of the Member State in which the landing is to be made. Furthermore, for landings in third countries, notifications should be made to the competent authorities of that third country in which the landing is to be made.

The notification shall include:
- the name of the boat;
- the designated port of landing;
- the estimated time of arrival in the designated port;
- the intended time of landing the catch;
- the quantities in kilograms live weight of all species retained on board;
- the management area where the catch was taken;
- contact details;

Fishing boats with fully functioning ERS should submit these requirements via PNO.

Fisheries Management Notice No. 76 of 2026
(December Mackerel Hook and Line Under 15 metre Fishery Quota Management Notice)

I, Timmy Dooley, Minister of State at the Department of Agriculture, Food and the Marine, in exercise of the powers conferred on me by section 12 of the Sea-Fisheries and Maritime Jurisdiction Act 2006 (No. 8 of 2006) and the Agriculture, Food and the Marine (Delegation of Ministerial Functions) (No. 2) Order 2025 (S.I. No. 368 of 2025), hereby issue the following Notice:

1.1 This Notice is the December Mackerel Hook and Line Under 15 metre Fishery Quota Management Notice 2026 (Fisheries Management Notice No 76 of 2026).

1.2 This Notice comes into force on 01 December 2026 and ceases to have effect on 01 January 2027.

2. In this Notice:

"CECAF" means the Committee for the Eastern Central Atlantic Fisheries;

"ICES" means the International Council for the Exploration of the Sea;

"Union waters" means European Union waters. Where this term is used in conjunction with an ICES or CECAF sub-area or division listed in Schedule 1, it means that only the European Union waters of that sub-area or division are included;

"length" means, in relation to a sea-fishing boat, the overall length of the boat, or the distance from the forepart of the stem of the boat to the aft side of the head of the sternpost of the boat or to the foreside of the rudder stock;

"mackerel authorisation" means an authorisation to fish for mackerel (*Scomber scombrus)* granted under section 13 of the Sea-Fisheries and Maritime Jurisdiction Act 2006;

"Catch retention and landing restrictions" means the total quantity, in tonnes live weight, of that species of fish in column (1) a quantity of which, greater than that specified in column (3), may not be retained onboard or landed by an Irish sea-fishing boat, dependant on the particular vessel's length and/or fishing method during December 2026;

"fishing area" means waters falling within the ICES sub-areas and divisions listed in Schedule 1 as defined in Annex III to Regulation (EC) No. 218/2009[1] of the European Parliament and of the Council of 11 March 2009, as amended;

"fishing trip" means any voyage of a fishing vessel during which fishing activities are conducted that starts at the moment when the fishing vessel leaves a port and ends on arrival in port.

6. During December 2026, a person on board an Irish sea-fishing boat less than 15 metres in length overall, fishing for mackerel by means of hooks and lines in a fishing area listed in column (2) of Schedule (1), shall not have, or retain on board or land (or cause or permit another person to have or retain on board or land), a quantity of mackerel that is greater than the quantity specified in column (3) if the fish was caught in that fishing area either on a single occasion or when combined with previous landings by that boat of that species of fish caught in the specified area in December 2026.

7. During December 2026, the Master of an Irish sea-fishing boat that is greater than or equal to 10 metres in length overall but less than 15 metres in length overall, fishing for mackerel by means of hooks and lines in a fishing area listed in column (2) of Schedule (1), must be in possession of a Mackerel Hook and Line Authorisation issued pursuant to Section 13 of the Sea-Fisheries and Maritime Jurisdiction Act 2006.

Schedule 1
Catch retention and landing restrictions in relation to an Irish sea-fishing boat less than 15 metres in length overall, fishing for mackerel by means of hooks and lines

Species of fish (1)	Fishing area (2)	Limit for boats less than 15 metres in length (3)
MACKEREL (*Scomber scombrus*)	6, 7, 8a, 8b, 8d and 8e; Union and international waters of 5b; international waters of 2a, 12 and 14 (MAC/2CX14-)	3 tonnes *

** To avail of the catch limit set out in this notice, the Master of an Irish sea-fishing boat greater than or equal to 10 metres in length overall but less than 15 metres in length overall must hold a Mackerel Hook and Line Authorisation issued pursuant to Section 13 of the Sea-Fisheries and Maritime Jurisdiction Act 2006.*

5. FISHING GEAR TYPE

During December 2026, a person on board an Irish sea-fishing boat less than 15 metres in length overall, fishing for mackerel by means of hooks and lines in a fishing area listed in column (2) of Schedule (1), may not engage in trawling or gill netting in the same fishing trip as they fish using hook and line fishing gear.

6. ADVANCE NOTICE OF LANDINGS

The master of an Irish sea-fishing boat, greater than or equal to 10 metres in length overall, or his agent, shall give not less than 1 hours notification of his intention to enter port for quantities of Mackerel over 50kg.

For landings in a port in the Republic of Ireland notification should be made to the IRISH FISHERIES MONITORING CENTRE by telephone (T) 00 353 21 4378752, by e-mail fmcireland@defenceforces.ie, or for landings outside Ireland to the Competent Authorities of the Member State in which the landing is to be made. The notification shall include:

- the name of the boat;
- the designated port of landing;
- the estimated time of arrival in the designated port;
- the intended time of landing the catch;
- the quantities in kilograms live weight of all species retained on board;
- the management area where the catch was taken;
- the gear type used on the fishing trip;
- contact details.

Fishing boats with fully functioning ERS should submit these requirements via PNO.
