*'Household waste'* has the meaning assigned to it by the Waste Management Act 1996.

*'Kitchen waste'* includes fruit, vegetable waste, tea bags and coffee filters etc.

*'Ordinary household waste collection'* means regular collection using waste containers approved by Waterford County Council, excluding bio-waste and dry recyclable waste where separate door-to-door collection systems are in operation.

*'Packaging glass'* means glass bottles and glass jars, which are used to package non-hazardous waste items.

*'Premises'* has the meaning assigned to it by the Waste Management Act 1996.

*'Prescribed place'* in relation to a household means a convenient place immediately outside the entrance to a household or as close as practicable but not in a position to cause an obstruction to users of the roadway, footpath or footway.

*'Recycling centre'* means a facility approved by Waterford County Council and licensed by the Environmental Protection Agency for the acceptance of specified recyclable wastes.

*'Residual waste'* means that fraction of the waste remaining after the dry recyclable and bio waste fractions have been removed.

*'Roadway'* has the meaning assigned to it by the Roads Act, 1993.

*'Separate Door to door collection system'* means a source-separated household waste collection system approved by Waterford County Council.

'Temporary Collection Centre' means any location at which mobile collection facilities are provided for up to one day's duration.

'Waste Container' includes a wheeled bin or other receptacle approved by Waterford County Council for the storage and collection of household waste.

"Waterford County Council" and "the Council" means the County Mayor and councillors of Waterford County.

#### Area of Application

3. These Byelaws apply to the functional area of Waterford County Council, which for the purposes of the Waste Management Act 1996 includes the Dungarvan Town Council administrative area.

## PART II

### OBLIGATIONS ON HOLDERS OF HOUSEHOLD WASTE

#### 1. STORAGE OF WASTE

- 1.1. The holder of household waste shall keep it in a place within the curtilage of the premises, unless otherwise agreed with an authorised officer of Waterford County Council.
- 1.2. The holder of household waste shall keep the waste container in proper condition and repair so that the waste placed therein may not escape therefrom and so that the waste container may be conveniently emptied.
- 1.3. A person shall not place or put in a waste container provided by the County Council or other permitted household waste collector, liquid matter, hot ashes or other waste matter likely to damage the container or cause injury to any person.
- 1.4. The holder of household waste shall be responsible for proper care of the waste container and in the event of not doing so shall replace containers which are damaged due to fire, abuse, or are lost, at his/her own expense.
- 1.5. The holder of household waste shall be responsible for ensuring that there are adequate waste containers to comply with provisions concerning sorting at source and to prevent overfilling.
- 1.6. Waste will be collected only in waste containers or some other form of receptacle as may be provided or approved by Waterford County Council.
- 1.7. Only waste containers which are securely fastened and not overflowing, will be collected.

#### 2. TYPES OF WASTE WHICH MAY BE COLLECTED

- 2.1. The holder of household waste is responsible for sorting waste into separate fractions as described in Appendix A to facilitate door-to-door collection of dry recyclables and bio waste (as and from the introduction of a bio waste collection).

- 2.2. Only household waste may be collected from a household.
- 2.3. Bulky waste will not be collected in the ordinary household waste collection.
- 2.4. Waste of the types described in Appendix A must be sorted and placed in the correct waste container (when provided by the County Council or with the approval of the County Council) and presented for collection as described in paragraph 3.
- 2.5. Packaging glass and other wastes designated by Waterford County Council from time to time must be disposed of at approved bring sites or recycling centres. Other glass will not be collected in the household waste or recyclable waste collection and must not be disposed of at approved bring sites or recycling centres.
- 2.6. Household hazardous waste must be segregated and disposed of at an approved waste treatment facility/recycling centre/bring site/temporary collection centre.
- 2.7. A person shall not burn household waste.
- 2.8. Any waste disposal measures undertaken by the holder of household waste must provide for the disposal of such waste to an approved waste treatment or disposal facility or to a facility approved by Waterford County Council or an adjoining local authority.

#### 3. PRESENTATION OF WASTE FOR COLLECTION

- 3.1. Recyclable waste presented for collection shall be in respect of a household situated in the functional area of Waterford County Council. This waste may only be presented for collection in a prescribed place in a transparent plastic bag, appropriately tagged, or some other form of receptacle as may be provided or approved by Waterford County Council for use in the door to door collection system. Recyclable waste presented for collection which includes residual waste or bio waste will not be collected. It shall be an offence to present recyclable waste for collection in this way.
- 3.2. Bio waste presented for collection shall be in respect of a household situated in the functional area of Waterford County Council. This waste may only be presented for collection in a prescribed place in such receptacle (termed a "brown bin" in Appendix A) as may be provided or approved by Waterford County Council for use in any bio waste collection system that may be introduced. Bio waste presented for collection, which includes either residual waste or recyclable waste, will not be collected. It shall be an offence to present bio waste for collection in this way.
- 3.3. Residual waste presented for collection shall be in respect of a household situated in the functional area of Waterford County Council. This waste may only be presented for collection in a prescribed place in a receptacle (black/grey bin) or other receptacles provided or approved by Waterford County Council for use in the ordinary household waste collection system. Residual

waste presented for collection which includes recyclable waste (or bio waste when a separate bio waste collection is introduced) will not be collected. It shall be an offence to present residual waste for collection in this way.

3.4. Waste from a household may only be presented for collection in a prescribed place at designated times in relation to the premises.

3.5. Waste containers and any uncollected waste must be removed from the public area on the day of collection or within 12 hours after the collection time designated in the existing schedule.

#### 4. APPROVED TIMES FOR COLLECTION OF WASTE

4.1 The existing schedules for the collection of waste will continue unless notification is served on the holder/holders of waste indicating a revised schedule.

#### 5. GENERAL

5.1 A person who contravenes a provision of these Byelaws shall be guilty of an offence and shall be liable on summary conviction to a fine.

5.2 As an alternative to a prosecution for the contravention of a byelaw, a person who contravenes a provision of these Byelaws may be served with a notice, specifying a fixed payment of €31.74 to be made to Waterford County Council. A prosecution in respect of an offence will not be instituted during the period of 21 days beginning on the date of service of the notice, if during that period the person pays the fixed payment.

5.3 All waste collected in the functional area of Waterford County Council will be regulated by Waterford County Council in accordance with the Waste Management (Collection Permit) Regulations, 2001.

5.4 The commencement date of these byelaws will be 17<sup>th</sup> February 2003.

MARTIN WALSH,  
County Secretary.

LOLA O'SULLIVAN,  
Waterford County Council Councillor.
