12.5 Such revised Maximum Tolls shall become effective as and from the 1st day of January following the August for which the relevant Consumer Price Index (or an appropriate alternative indexation factor determined by the NRA, if the former is not published) is derived.

12.6 A list of the Maximum Tolls for each year so calculated shall be published in a national daily newspaper before the 1st day of January of the relevant year with the exception of the year of commencement of tolling when a list of the Maximum Tolls applicable at commencement and for the duration of such Toll Year shall be published in a national daily newspaper no later than seven (7) days prior to the commencement of tolling.
