EUROPEAN UNION (ONLINE DISSEMINATION OF TERRORIST CONTENT) (DESIGNATION OF THE COMMISSIONER OF AN GARDA SÍOCHÁNA AS A COMPETENT AUTHORITY) REGULATIONS 2025

These regulations provide for the designation of a competent authority as required by article 12 (1)(b) of Regulation (EU) 2021/784 of 29 April 2021 on addressing the dissemination of terrorist content online.

Regulation (EU) 2021/784 introduced a mechanism under which a competent authority in one member state can issue a removal order requiring service providers in all member states to remove terrorist content or disable access to that content. In relation to this, it also provides for procedures whereby incoming cross border removal orders can be scrutinised by the authorities in the receiving state. Additionally, there are procedures ensuring affected service providers take measures to address the misuse of its services and for the imposition of penalties on service providers for non-compliance.

Article 12 (1)(b) requires the designation by member states of a national authority with competence to scrutinise removal orders pursuant to Article 4 of the EU Regulation. These regulations designate the Garda Commissioner as this authority.
