PUBLIC NOTICE

Cork County Council

PUBLIC CONSULTATION-PROPOSALS REQUESTED

Proposals Requested in Response to New Section 28 Ministerial Guidelines on "NPF Implementation: Housing Growth Requirements" for Additional Residential Lands in Support of Accelerated Housing Delivery

New Ministerial Guidelines on *NPF Implementation: Housing Growth Requirements* were published on 29th July 2025 (https://www.gov.ie/en/department-of-housing-local-government-and-heritage/publications/section-28-guidelines-npf-implementation-housing-growth-requirements/) with the aim of updating development plans to reflect the requirements of the Revised National Planning Framework (NPF) and achieving a significant acceleration in housing delivery. The Guidelines provide for an increased annual housing growth requirement for Cork County Council, and an 'additional provision' mechanism to support the zoning of additional lands in areas where it can be justified.

In response to these new Guidelines, Cork County Council now invites the public / landowners/ homebuilders to put forward suggestions for lands that are suitable for zoning for residential use *(greenfield and brownfield/infill/regeneration sites)* and could meet the objectives of the Guidelines in terms of contributing to the acceleration of housing delivery over the next 10 years.

In this regard the Council is seeking proposals for lands/sites across the settlement network (with any supporting information) that:

a. are serviced, or due to be serviced within the next ten-year period.
b. are located in areas where Market Analysis shows a level of demand exists.
c. would contribute to sustainable, compact and sequential patterns of growth.
d. would support the development of infill housing, housing on brownfield land or address vacancy and dereliction.
e. are located in areas with good public transport services.
f. are located in areas with significant employment opportunities.
g. are located in settlements with good social infrastructure and capacity in schools and community facilities.

Landowners should be aware that any lands zoned for residential use may be liable for an annual Residential Zoned Land Tax based on the value of the site. Landowners are advised to familiarise themselves with the provisions of the Residential Zoned Land Tax. Further information is available on the County Council's website https://www.corkcoco.ie/en/resident/planning-and-development/residential-zoned-land-tax

Invitation to make submissions:

Submissions, including supporting information, identifying lands that are suitable for zoning for residential use and could meet the objectives of the Guidelines in terms of contributing to the acceleration of housing delivery over the next ten years are hereby invited from interested parties during the period **9am on Monday 22nd September to 12 Midnight on Monday 20th October 2025 inclusive**.
